| 3D Media | Design and Video Media |
|---|---|
| Blender, Houdini, Unity, Substance 3D Painter, Substance 3D Designer, Substance 3D Sampler, SpeedTree | Figma, Adobe Xd, Illustrator, Photoshop, InDesign, Lightroom, DaVinci Resolve, Premiere, After Effects |

## Experience

**BSMS** - Student Intern
Sept 2020 - Oct 2020

Created web design and designed an e-mail blast message. Created presentations. Drew a storyboard concept for a video advertisement that I helped film. Planned a corporate event for a client.

**PickleHosting** - Technician
May 2015 - Sep 2015

Fixed issues related to Minecraft servers, domains and hosting. Replied to customer support tickets.

## Education

**Riga Art and Media School**
Multimedia Design
Specialist - Web Designer
Sep 2017 - Jul 2021

Received certification **Multimedia Design Specialist** from International Education Society (IES). For my final project, I designed and developed a website for an architecture firm "Kroks" and got a perfect mark of 10/10.
